

BRYAN & CECILE AMES

*U.S. Missionaries on the campuses
of Richmond, Virginia*

The Great Commission tells us to “Go and make disciples of all nations” and Bryan and Cecile are convinced that there is no better way to reach the nations than to reach and disciple international students right here on our American university campuses.

Bryan (at the University of Nebraska—Lincoln) and Cecile (in the Philippines) both experienced the incredible impact of college ministry through Chi Alpha during their college years and later met through their service to the ministry. Over the past 16 years, God has blessed them with a beautiful family and a powerful ministry to international students where they’ve discipled students from nearly every corner of the world.

“We have learned that no matter where someone is from—each person has a need to be significant. They desire to be loved, to belong, and to have purpose. We believe God’s purpose for each of us is to experience His salvation and share this great news to others!” – Bryan and Cecile Ames

The world is at our door step and we need your help!

Over a million international students, our world’s future leaders, are studying on our American campuses. They are paying their own way to come to the U.S., they are learning English, and they want to make American friends during their stay.

Jesus shared in Matthew 9:37 that the “The harvest is plentiful but the workers are few” and the Ames are ready and eager to go to work for the Kingdom! They have been given the incredible opportunity and calling by God to join the Chi Alpha team in Richmond, VA, but they can’t do it alone. With your help, they will have direct access to reach 101 nations at Virginia Commonwealth University in Richmond, VA.

“This was the best year of my life!” --Hindu student who became a Christian
